Hi Kyla,

Yes, you may use the image as long as you reference the original source in your review paper. I can send you the original JPEG and PDF versions if you need them. Good luck with your paper!

BR, Petra Grahn

IMPROVING SHOULDER FUNCTION IN BRACHIAL PLEXUS BIRTH INJURY

PETRA GRAHN-SHAHAR

DOCTORAL DISSERTATION

To be presented for public discussion with the permission of
the Faculty of Medicine of the University of Helsinki,
in Niilo Hallman's auditorium, HUS Parksjukhuset,
on August 27th 2021, at 13 noon.

Helsinki 2021

Figure 2 Child with complete plexus injury

Child showing typical "waiters tip" position with extended elbow, and internally rotated flexed wrist. C5-C6 roots ruptured, C7 avulsed from the spinal cord, C8 stretched.
